

Discovery Education *unitedstreaming* IOWA AEA ONLINE

DISCOVERY EDUCATION *unitedstreaming*

Discovery Education *unitedstreaming* is a digital video-based learning resource from Discovery Education. Today, educators at more than 70,000 schools across the United States use Discovery Education *unitedstreaming* to integrate vibrant digital content into the curricula of more than 30 million students.

More than a digital media library, Discovery Education *unitedstreaming* provides students and teachers with the tools to incorporate fresh, vibrant digital media into projects, assignments and the total student learning environments—quickly and easily. With Discovery Education *unitedstreaming*, students and teachers gain access to a rich collection of more than 50,000 video segments from among 5,000 full-length educational videos from Discovery School and other award-winning producers.

Your Discovery Education *unitedstreaming* subscription provides:

- The largest and most current K–12 digital video/video segment library available today.
- The only standards-based video-on-demand application shown to increase student achievement.
- Practical and easy-to-use learning resources for students and educators.
- Access to the highest quality producers—including Discovery School, United Learning, Scholastic, Standard Deviants, and Weston Woods.
- State-of-the-Art Professional Development sessions for on-line and on-site support.

Iowa AEA Online

Discovery Education *unitedstreaming* is one of eight resources included in Iowa Area Education Agencies (AEA) Online. Iowa AEA Online is a collection of online educational resources, funded and provided by Iowa AEAs to all Iowa accredited Pre K–12 schools. Iowa AEA Online supports the content standards for school curriculum and student learning by bringing a wealth of information to teachers and students 24 hours a day, seven days a week. (Internet access required.) Reviewed and selected by AEA representatives, these eight dynamic, up-to-the-minute online reference resources include:

- AccuWeather Premium
- AP Multimedia Archive
- Atomic Learning
- Clipart.com School Edition

- EBSCOhost
- SIRS Researcher
- Discovery Education *unitedstreaming*
- World Book Online with Research Libraries
