- Word of the Day
- Today in History

Britannica's *Student News Net* engages students with timely, relevant news and current events. Designed for students in grades 4-8, related learning activities and lesson plans teach students how to organize facts, make connections, and use information in problem-solving activities.

INCORPORATE CURRENT EVENTS INTO SCHOOL PROJECTS AND HOMEWORK

Safe, student-appropriate coverage of the world is easily accessible.

TOP NEWS FROM AROUND THE WORLD

A new lead article is featured each day with 15-20 current articles available at any time.

ARCHIVED NEWS ADDS PERSPECTIVE

4,500 fully searchable articles with more added each week give students and educators a complete look at recent events.

"WORD OF THE DAY" BUILDS VOCABULARY

A different word is defined each day and highlighted in the Top News story. The words are added to printable cards, so students can grow their own vocabulary lists.

SCIENCE AND CIVICS FOR THE CLASSROOM

Separate sections devoted to Science and Civics news and lessons include teacher resources and current events features.
