

Health & Wellness Resource Center

Authoritative, up-to-date information on health topics

New York Public Library Best Reference
Library Journal Best Reference

"Suitable for virtually any segment of the population who might be seeking health-related information."

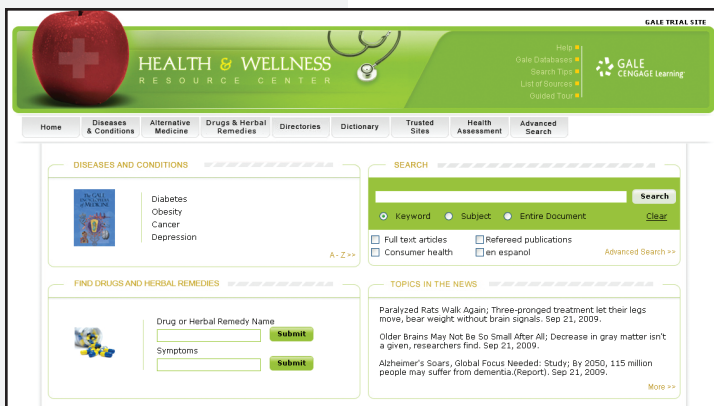

— NetConnect (Fall 2008)

This rich online resource is unparalleled in the industry, offering 24/7 access to thousands of full-text medical journals, periodicals, reference works, multimedia and much more. Perfect for researchers at all levels, this comprehensive consumer health resource provides authoritative information on the full range of health-related issues, from current disease and disorder information to in-depth coverage of alternative medical practices.

What dietary habits are associated with developing adult-onset diabetes? Are antioxidants really effective? What new advances have been made in the treatment of HIV/AIDS? *Health & Wellness Resource Center* is your first-stop resource for answers to these and other health-related questions.

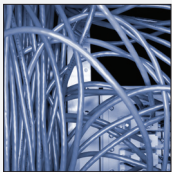

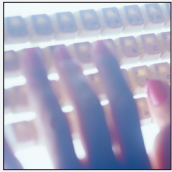

Features include:

- An updated, easy-to-navigate interface featuring quick links to hot topics and top-searched conditions as well as diseases overviews
- Fully integrated, detailed coverage of alternative and complementary medical practices (formerly only available as a separate add-on module)
- More than 1,000 top medical journals and periodicals as well as articles from more than 2,200 general interest publications; more than 75% in full text
- Medical newspapers, newsletters and news feeds
- A broad collection of full-text reference works, including *The Gale Encyclopedia of Medicine*, *The Gale Encyclopedia of Surgery and Medical Tests*, *The Gale Encyclopedia of Alternative Medicine*, *The Gale Encyclopedia of Cancer*, *Medical and Health Information Directory* and many others
- Streaming video with transcripts from Healthology, Illumistream, NBC and OR-Live
- Links to trusted health-related Web sites

▲ *Health & Wellness Resource Center* features an updated, intuitive interface facilitating quick access to information.

▲ Media-rich content includes hundreds of streaming videos from experts in the field.

- An improved Directory Search for accessing contact information for clinics, medical centers and foundations
- Daily updates
- And much more

This user-friendly database aids users who need reliable, comprehensive health information. Whether researchers need to answer questions they don't feel comfortable discussing with their doctor or want to browse through current information on topics of general interest, *Health & Wellness Resource Center* is the one resource everyone will want to consult.

The screenshot shows the top navigation bar with links for Home, Diseases & Conditions, Alternative Medicine, Drugs & Herbal Remedies, Directories, Dictionary, Trusted Sites, Health Assessment, and Advanced Search. Below the navigation is a search bar and a 'HealthDay' section titled 'TOPICS IN THE NEWS'. Several news items are listed, such as 'Binge Drinking May Encourage Infection', '1 Swine Flu Shot Enough for Older Kids', and 'Head, Neck Cancer Treatment Often Not Completed'.

▲ Quick links provide instant access to popular search topics, A-Z browsing of diseases and conditions, and topics in the news.

The screenshot shows the search results for 'American Association of Occupational Health Nurses (AAOHN)'. It includes a search bar, a 'Document 52 of 1168' indicator, and a 'Result List' button. The main content area displays the organization's name, a synopsis, source citation, address (2920 Sandyview Rd., Atlanta, GA 30341 USA), phone, fax, toll-free number, email (ann@aaohn.org), and website (http://www.aaohn.org). It also lists 'See Also' categories like Health, Medical care, Medical personnel, and Medicine.

▲ *Health & Wellness Resource Center* features an improved directory search, for locating health clinics, dialysis centers, foundations and more.
