Student Research Center™

Available from EBSCO Publishing

*Optional
Interface Provides
Students with
Enhanced Search
Experience...*

In an ongoing effort to provide the most suitable research experience for each user, EBSCO Publishing is pleased to make available a search interface for use by secondary school students. As an alternative to the existing EBSCOhost® interface, the *Student Research Center*™ provides students with easy, yet powerful access to the same high-quality secondary school databases that they have come to depend upon.

Through the *Student Research Center*, users can easily:

- Pre-determine which content sources (Magazines, Newspapers, Biographies, Country Reports, Film & Video, etc.) will be included with their search
- Search databases by topic heading
- Explore the top searches of the day
- Limit searches according to appropriate Lexile reading levels
