

In preparation for this event please review the pdf documents entitled, ***Enduring Heroes Unit Plan*** and ***Looking for Characteristics of Effective Instruction***. Please read the unit plan and jot notes on the graphic organizer in preparation for one of the interactive activities during the webinar.

The goal for these webinars is to immerse participants in the Iowa AEA Online resources while modeling their use during the instructional process. Connections to the Iowa Core and Characteristics of Effective instruction will be made.

Webinar Agenda:

Introduction and webinar basics

Review of Enduring Heroes Unit Plan

Activity: Characteristics of Effective Instruction

Iowa AEA Online Resources that support the instruction

Activity: Iowa AEA Online exploration for elementary and secondary unit plans

Wrap-up

During the Iowa AEA Online exploration segment of the webinar, you will need to login to various resources using your school building **username and password for Iowa AEA Online**. If you don't know your building username and password, please contact your school teacher librarian or a media contact at your AEA.

If you have any questions after viewing this webinar please contact:
