

Iowa AEA Online

Educational Resources Funded and Provided by Iowa's Area Education Agencies

New for 2011-12 in Iowa

You now have access to over 50,000 tutorials on 205 programs as well as a wide selection of Assistive Technology tutorials. Atomic Learning's 21st Century Skills Collection includes professional development resources and curriculum materials to empower you to infuse 21st century skills into your classroom. The collection includes access to 21st century skills training and resources, student and teacher assessment with prescriptive training paths, classroom tech integration projects, technology workshops, progress reports and more.

Here is a sample of the Tech Integration Projects Atomic Learning offers that align to Iowa Core Curriculum based on Academic Benchmarks' review:

Mathematics

School Days Calendar - word processing

Social Studies

Water Works! - Google™ Earth software

Literacy:

Presenting the Poets - presentation creation

New Workshop:

Being an Effective Online Student

Adapt any project for any subject:

Workshop: Adapting a 21st Century Skills Project to the Classroom

Check out these Tutorials and Workshops:
