Help Us Improve iCLIPART For Schools

iCLIPART For Schools is a new product. The Iowa AEAs have been working with iCLIPART to expand the photo collection to better meet the needs of K-12 schools. Thousands of photos have been added and more are being licensed. AEAs have requested subjects of ethnic, technology, careers, animals, climate, habitat, sports, holidays, science, math and more. A "Send Feedback" section has been added to the Iowa iCLIPART homepage for schools to let iCLIPART know about resources they feel should be added. Please help us make iCLIPART For Schools the best resource available to Iowa schools.
